## **This Holiday Season, Gift the Parents-to-Be Newborn Care Education with Nested!**

Looking for the perfect gift for the holidays or New Year? Nested now offers gift cards available on their website for their award-winning courses, ranging from preconception planning to newborn care to infant CPR. Taught by medical professionals and held in multiple locations collaborating with Reiter, Hill, Johnson and Nevin, Nested provides a comprehensive and holistic educational experience taught by leading health care providers for both new and expecting parents.

***Nested was awarded as a "Top Parent Educator" in DC, Maryland, and Virginia!***

## INTRODUCING THE ISABEL IRIS SCHOLARSHIP

In the spring of 2018, two couples who were clients of Nestled delivered their babies prematurely. Isabel arrived before her parents were able to attend their Nestled newborn care course, and as a token of their appreciation, donated their unused class fee to Nestled to support our philanthropic mission.

Iris' mother, however, went into labor during Nestled's newborn care course! However, she was able to receive two spaced injections of Betamethasone, and her labor was stalled for two weeks. As a token of her appreciation for the support received from the Nestled staff, Iris' family has donated money to Nestled towards its mission to help families both locally and abroad.

With the Iris Isabel Scholarship, Nestled may now offer a limited number of classes gratuitously to any women/couples in need wishing to learn more about preconception health, childbirth, neonatal CPR and infant care.

Are you a candidate for receipt or know someone who may be?
