Say "Cheers" to the New Year with Nested!

Whether trying to start a family or currently pregnant, investing in Nested's childbirth and newborn education classes provides parents-to-be in the DC-metropolitan area with a tool box of essentials to help them tackle their newest season of life. The 2019 class schedule is officially open, with classes centered around themes ranging from preconception planning to newborn care to childbirth to infant CPR, all taught by seasoned medical professionals. Supported by the award-winning OBGYN offices of Reiter, Hill, Johnson and Nevin, use promo code 'RHJN' to receive \$20 off of your first class!
